MOTION

PRO SE MOTION FOR TRANSCRIPTS

28 USC § 2250

The Movant named above, Teresa Goodroad, federal register number: 80373-510, who is currently confined at the Federal Center in Fort Worth, Texas, (FC Carswell), requests her change of plea and sentencing transcripts from the court at no cost. The Movant has attached a copy of her petition to vacate, set-aside, or correct the sentence and/or judgment of conviction in her case, pursuant to, 28 USC § 2255, to be filed by the clerk, to this petition for transcripts pursuant to, 28 USC § 2250. The Movant is an indigent litigant who is entitled to documents at no cost. Section, 28 USC § 2250, states,

If on any application for a writ of habeas corpus an order has been made permitting the petitioner to prosecute the application in forma pauperis, the clerk of any court of the United States shall furnish to the petitioner without cost certified copies of such documents or parts of the record on file in his office as may be required by order of the judge before whom the application is pending. |

The Movant had requested a copy of her transcripts under the Criminal Justice Act (CJA) (18 USC § 3006A). Because, Goodroad did not appeal her case the district court had denied her request for transcripts. The district court did, however, imply that Goodroad is permitted to renew her request for transcripts when her motion to vacate §2255 is actually filed. With this being said, she pray for a copy of the following transcripts;
